

Recommended Priority of Construction

Priority #1

I-475/US 23 Interchange

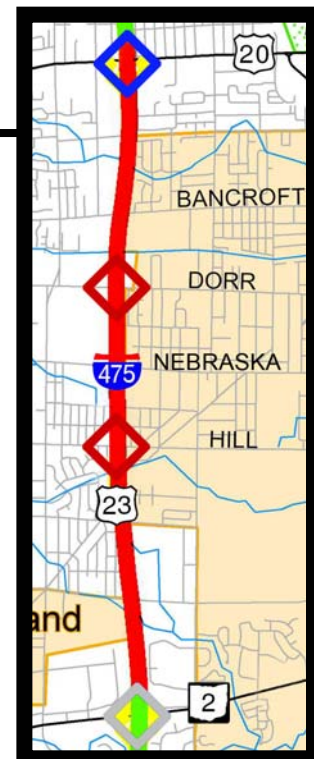

- From north side of Central interchange to west side of Corey interchange
- Establish I-475 as through movement
- 3 Lanes on I-475
- Eliminate weaving movements

Priority #2

Airport Hwy. to Central

- Add 3rd and 4th Lanes in median
- Added traffic necessitates upgrade of Central interchange
- New interchange at Dorr or Hill

Priority #3

Dussel/Salisbury to Airport Hwy.

- Add 3rd and 4th Lanes in median
- Added traffic necessitates upgrade of Airport Hwy. interchange
